Hope Valley Christian Youth Work How you can help

You can:-

- become a volunteer worker
- help financially

If you want to **volunteer**, please talk to the leader at your local HVCYW supported club, who will be able to help with the next practical steps, or just ring the number below. We need many more suitable helpers.

If you want to **help with money**, you can either make a donation, or you can make a regular payment by means of a standing order through your bank.

Most of our donations come from monthly standing orders and are increased by a third through the Gift Aid scheme. Many are around £10 a month. Such contributions are easy and costless to arrange, and are very helpful to long term planning.

All financial support is most welcome. Please use the forms alongside and return the **WHOLE SHEET (with any donation), to the address below, and we will do the rest**
